EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Gregory C. Ranieri on February 18, 2005.

Claim 12 is amended as follows:

12. **(Currently Amended)** A wireless local area network station comprising signal processing means, carrier detect sensing means, defer behavior sensing means and a memory for storing a carrier detect threshold level value and a defer behavior threshold level value for use during transmission and reception of signals while being associated with an access point, ~~where the network station is adapted to transmit and receive~~ comprising:

means including at least the signal processing means for transmitting and receiving signals within a communication cell associated with the access point, the communication cell also associated with a carrier detect zone and a defer zone; and

~~the network station is adapted to carry~~means, including the signal processing means, the carrier detect sensing means, and the defer behavior means for carrying out an association process with the access point by transmitting an association request message to the access point and receiving an association response message from the access point during entry of said network station into said communication cell, and amend;

the network station being coupled to the access point to receive at least one of said carrier detect threshold level value and said defer behavior threshold level value during operation.

Art Unit: 2667

2. Claims 1-12 are allowed.

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Blanche Wong whose telephone number is 571-272-3177. The examiner can normally be reached on Monday through Friday, 830am to 530pm.
